

Venus ISD Maintenance Department

Asbestos Public Notice:

Venus ISD is working hard to maintain compliance mandated by both Federal and State laws governing asbestos in school buildings. A copy of the Asbestos Management Plan can be found in the main office at each campus. If you have any questions or would like to examine the district's Asbestos Management Plan in more detail, please contact Charley Grimes, the district's Asbestos Designated Person at 972-366-3448 ext. 702.
