• Meeting began at: 4:34 PM

• Review Minutes of past meeting on November 17, 2020:

- No discussion needed.

• Open Forum:

- No public comments.

• Update on installed portable buildings:

- **Surveillance cameras:** camera purchases and installation are still in progress.
- **Signage:** signs have been placed on portable buildings.
- **Written procedures:** current classroom procedures stand, further written procedures are coming.
- **Door viewers:** door viewers have been ordered.
- **Fencing:** no fencing added until it is determined if more portables will be added.

• Discussion during closed session:

- Nothing to discuss in closed session.

• Items to discuss during Summer 2021 meeting:

- Waiting on TEA/Legislation to determine if online education will continue.
- Discuss possibly adding additional drills during the year and conducting intruder assessments.
- Re-focus of staff from COVID issues to Safety and Security issues for next school year.
- Invite VHS Counselor Aimee Murray to summer meeting to discuss mental trauma/suicide prevention.
- How to support staff with mental and physical stressors from past year due to restraints and staff shortage.
- Fencing issues at elementary playground are safety issues due to large size of area. Look at partitioning off sections for student recess. Basketball goals unsafe. Possible storage for PE equipment instead of left unattended on playground. Possibly adding signage to gate entrance for community awareness.

• Meeting time ended: 5:03 PM
